

# A stable page

---

A resilient reader keeps the page steady while the learner explores a new word.  
Select resilient to verify that the text layer preserves the complete sentence.  
The visual page and selectable text should remain aligned at every supported zoom.

This document is owned by the LexiAnchor project. It contains no DRM, remote resources, embedded scripts, or third-party copyrighted passages.

*English text layer baseline - 100% scale*

# Language and spacing

---

French: La lecture attentive protège le rythme et réduit les interruptions.

Accents: café, élève, forêt, déjà, où, façade.

Numbers and symbols: 24%, 1.5x, CFI, PDF, EPUB, and e-mail.

中文：清晰的文字层应当与页面保持对齐。

# Zoom and position

---

The final page verifies navigation and persisted page position.

Zooming changes the viewport, never the source PDF.

Returning to this file should restore page three and the chosen scale.
